Progress

Progress by Marazzi repropose the charm of cement floor tiles with a collection of simple, clean-lined ceramic tiles. Its natural, lightly colour-shaded surfaces and neutral colours lend sobriety and elegance to spaces. Marazzi's Progress collection is in porcelain stoneware and features traditional square tiles complemented by decorative insert tiles with subtle metallic effects. The collection has been designed for the walls and floors of interior design projects for any domestic setting, particularly day areas and bathroom and kitchen environments.
