STONE LOOK

Uniche

Four colours evoke four natural stones, ranging from warm shades to colder hues, with considerable variation in tone and patterning, more noticeable in the darker colours. Four modular, compatible sizes from 60x120 to 30x30, with natural, Velvet and Outdoor surfaces, together with the extra-thick 20 mm option, the mosaic with small square and rectangular chips – Spaccatella – in 30x60 modules, and a complete range of trims, also for swimming-pool construction.
