BOISERIE

Boiserie

Boiserie reinterprets wall wood and decorative boiserie in a ceramic key. In the 40×120 cm format, it is available in Rovere Chiaro and Rovere, with three-dimensional surfaces created using 3D Ink technology. It can be installed at 120 cm or full height, vertically or horizontally, and integrates perfectly with other Marazzi wall coverings. The collection also includes a glazed ceramic profile as an accent detail.
