STONE LOOK

Mystone Ceppo di Gré

A stoneware that precisely reproduces elegant Ceppo di Gré, a typically Italian stone which features large included “pebbles”, interpreted in 4 natural colours. There are multiple sizes and surfaces in a collection now extended, in the most classic Grey and Greige colours, with two new sizes in 6 mm thickness, 120x120 cm and 60x120 cm, manufactured with the exclusive StepWise technology that creates a surface with high antislip coefficient but no roughness. The 30x60 cm and 80x80 cm outdoor (20 mm) surfaces and the tiny chip and 3D mosaics complete a collection with an exclusive personality and excellent technical properties, perfect for indoors and outdoors and for ventilated walls.
